Classroom

Information

Dear Butterfly Parents,

I have been working at Steps to Success since January 2001. I started out as an Aide in the Happy Face classroom. I became a Floater at Steps to Success for about 3 1/2 years and I am now an Assistant Group Supervisor. I enjoy this preschool age group very much. I love kids!! I am currently attending Harrisburg Area Community College. I am working towards my Associate Degree, which will help me become a Group Supervisor. I am happy with the changes I have made with the room and I hope the children in my care will enjoy the environment around them. As a parent if you have questions or concerns please do not hesitate to ask. I am looking forward to meeting all the new Butterfly friends.

May God bless you always,

Ms. Jennifer Lynn Dunn

Bible verse: John 3:16-3:17: For God so loved the world that He gave His only begotten son that who so ever believes in Him will not perish but have everlasting life. For God did not send His son into the world to condemn it but so that everyone shall be saved.
