

# Family Benefits of Frog Street

## Research Based Curriculum

Frog Street curriculum is a high-quality, comprehensive research-based program built on the latest findings in neuroscience, math, literacy, and language acquisition.

## Engaging Continuum of Learning

Frog Street's early childhood education offers developmentally appropriate learning continuums that allow children to build on previously mastered skills to more readily achieve new skills in a seamless and continuous way.

## Developmentally Appropriate Practice and Play

Theme-based lessons cover social and emotional development, literacy, math, science, social studies, technology, and fine arts. Play-based learning comprises 70% of the day and teacher-led instruction comprises 30%, supporting holistic child development.

## Inclusive Learning Environment

Frog Street offers intentional supports to differentiate instruction and meet the individual needs of all learners while prioritizing culturally responsive teaching that recognizes children's cultural backgrounds.

## Strong Home-School Connection

Frog Street offers ongoing at-home supports, including weekly family engagement and progress insights to keep families connected to their child's learning journey.

## Preparedness for Kindergarten and Beyond

Frog Street curriculum builds a strong foundation in academics, self-regulation skills, and social emotional readiness to help children transition smoothly to elementary school and lifelong learning.
